Alan Garcia, Partner, R&D Tax, Asia Pacific Regional R&D Leader

Expertise and Experience

- Alan has 19 years R&D consulting experience with Big 4.
- ASPAC R&D Regional Leader – assists companies to access and understand various R&D incentive programs around Asia, including Australia, China, Singapore.

R&D incentives

- Alan specializes in preparing and reviewing incentive applications in Australia and China specifically from a science and engineering perspective. In addition, Alan is well versed in identifying all eligible R&D activities and associated expenditure. This includes the provision of tailored knowledge transfer workshops and extensive analyses and processing of financial data – including understanding IP location issues, transfer pricing, cross-charge/reimbursement across jurisdictions and associated financial risk.

Alan deals with tax authorities regarding interpretation of R&D incentive rules and regulations; liaison with government regarding incentive policies, audit defence etc.

Key areas of experience include the following:

- Pharmaceuticals and medical / life sciences
- Food and beverage development / processing
- Recycling and manufacturing process development
- Information technology

Grants

- Assists companies to identify potential government grant opportunities and preparation of competitive grant and subsidy applications.

Qualifications

- Bachelor of Laws
- Bachelor of Arts

Affiliate of the Institute of Chartered Accountants
