

Broker Meets Biotech 2018 Series

Adelaide | Brisbane | Perth | Sydney (EOI's Open)

Broker Meets Biotech (BMB) offers listed and IPO-ready companies the opportunity to present their investment case to a captive audience of brokers, investors and high-net-worth individuals. The 2018 Series will include one event in Adelaide, Brisbane and Perth. Expressions of interest are also open for a possible event in Sydney.

Over the past four years, audiences of up to 150 brokers and investors have attended events across Adelaide, Brisbane, Sydney and Perth to hear presentations from life science companies across a range of industries and stages of growth.

Each event opens with a keynote presentation from a biotech analyst, leading industry figure or government representative, followed by three to five, ten-minute presentations from listed life science companies. The program is structured to provide time for questions and networking.

Attendance at Broker Meets Biotech events is by invitation, guaranteeing that at least 75% of the audience are brokers, financial advisors, investors or high-net-worth individuals.

To register your interest as a presenter for 2018 please complete the booking form on the next page. Spaces for each event are limited and companies receive discounts for booking multiple events. You must be an AusBiotech member to present at the BMB events. If you are not currently a member please contact Stephanie Cruzat, State Membership Liaison Officer on scruzat@ausbiotech.org for more information.

You will receive a confirmation and invoice if your application is successful.

For more information about this or other AusBiotech investment events please contact:
Johnny Ni, Events Manager, on 03 9828 1400 or email jni@ausbiotech.org
