

KEYNOTE SPEAKER

Ms Josephine Wu
Managing Partner, Deputy CIO
Light & Salt Capital Management, China

Ms. Wu has over 10 years of experience investing in regional healthcare both listed and early stage deals. She started investing in healthcare companies prior to the establishment of the healthcare industry in the Pan-Asia region. After graduating from Bernard M. Baruch College of the City University of New York with finance major in 2002, Ms. Wu joined L-R Global Partners LP, a New York hedge fund with AUM of close to US\$1 billion.

In 2007, she moved to Hong Kong and set up the firm's Asian office as a General Partner. In 2009, Ms. Wu joined a family office, Yu Ming Investment, as its Regional Portfolio Manager, responsible for investments across different asset classes. Apart from the aforementioned, she also worked very closely with the corporate finance team, furnishing advice whenever need be. Prior to joining Light & Salt Capital Management Ltd. , Ms. Wu was a Portfolio Manager at Robeco HK Limited, a long only asset manager headquartered in the Netherlands, since 2011. In her capacity there, she co-managed the Chinese Equity Fund with assets of over US\$1 billion but then moved on to the Asia Pacific including Japan team where she managed multiple funds with assets in excess of US\$3.5 billion.
