**Tony Keating, CEO and Managing Director, ResApp Health**

Tony Keating has over ten years experience in commercialising technology and has led the commercialisation of ResApp's technology to date. Previously, Tony was Director, Commercial Engagement at UniQuest, one of the global leaders in commercialisation of university technology. While at UniQuest, Tony held roles as interim CEO and Non-Executive Director for a number of start-up companies. Prior to joining UniQuest Tony held business development and engineering management roles at Exa Corporation, a US-based software company that is now listed on the NASDAQ.
