

SPEAKER PROFILE

Jane Kelly
CEO
CMAX Clinical Research

With a background in nursing and business, Jane was one of the inaugural staff members of CMAX when it was established over 24 years ago by Faulding Pharmaceuticals in Adelaide, South Australia. CMAX Clinical Research is the first established, dedicated early phase research facility in Australia.

Working in many positions at CMAX over the years including business development and project management, Jane has headed up the operation since 2006.
