

## SPEAKER PROFILE

**John Martin**  
**CEO**  
**Regeneus**

John is the CEO of Regeneus and has served on the board of the company since 2009 shortly after its startup. He is responsible for leading the company's push into the Japanese market and led the recent collaboration with AGC. He has over 20 years experience in working with and developing emerging biotechnology companies including roles as a director and adviser to BTF and Proteome Systems which were spin-out biotech companies from Macquarie University in Sydney. He is a regular lecturer and presenter on commercialisation of biotechnologies and is a member of AusBiotech's Regenerative Medicine Advisory Group and was a contributor to the inaugural ASX Code of Best Practice for Reporting by Life Science Companies.

John is a former corporate partner of international law firm Allens practising in Sydney and New York where he specialised in M&A, capital raising and corporate advisory and was head of the life sciences practice.
