SPEAKER PROFILE

Robert Proulx
President & Chief Executive Officer
Imagion Biosystems

Robert Proulx has over 25 years' experience bringing life science and medical device products through development and commercialization and joined the predecessor company, Senior Scientific as President and Chief Operating Officer. Previous employment experience includes President and General Manager for Silicon Biosystems developing an imaged based "liquid biopsy" diagnostic platform for circulating tumor cells. His career in marketing and sales management spans the computer, life science and medical diagnostics industries.

Robert holds a Master of Arts and Bachelor of Arts from The State University of New York at Albany and an Executive Master of Business Administration from the Penn State Smeal College of Business.
